Repatriation Services Ltd

Into Care Services 2020-21

## About Us

Founded in 2014, Hemsell Repatriation Services Ltd, has been providing a range of tailor-made transportation solutions to the independent funeral home.

I believe that my service needs to be as individual as the funeral companies we support.

Based in Wollaton, Nottingham and with over 40 years of combined funeral service experience, our teams are on call 24 hours all year round.

Our central location gives our on-call teams the ability to cover a wide area within a 30-mile radius of our base.

This brochure has been compiled to give you a brief introduction of our Into Care First Call and associated services.

### Services we provide are;

- Standard Into Care services
- H. M. Coroner cover
- Pay as you use & Contracted services
- Call Answering & Key holding
- Call assist

## Into Care Service

Our Into Care First Call services give you the ability to have everything required to carry out all first call removals with just one phone call 24 hours.

Whether you are an established funeral home or in the start up process we can provide a low cost yet complete service that is tailor made to suit your requirements.

We have invested in all the latest vehicles and highest quality equipment which are all kept in fully serviceable condition to provide the best service.

We do not run as a funeral home although we are all funeral professions that dedicate our time carrying out first call and land repatriation services. We provide the following ;

- Professional two person teams
- 2018 Ford Mondeo Hearsette
- 2017 VW Caddy Highline Ambulette
- Auden One-Man Loading Stretchers
- Auden Bariatric Capable One-Man Loading stretchers
- Auden First Call Stretchers
- Ferno Bariatric Body Pod
- All disposables including cotton transfer sheets and breathable body transfer envelope sheets
- Fully insured as private ambulances with full public liability insurance.

We provide additional services such as call answering and key holding services to give you a totally complete service package.

## Price List

We keep our costs as low as possible without cutting the high level of service we provide to you and the families you serve.

All of our prices are all inclusive with no hidden extras. Please contact us to discuss your requirements. Prices include Coroners removal services.
